

Museum der Kulturen Basel

CONVERSATION IN ENGLISH

Tracing relations

27. März 2025, 15.30–17.00 Uhr

Many questions emerge when you encounter 'artefacts' within a museum. You may ponder its origins, the cultural narratives it represents, its journey through time, the functions it serves in different settings, its physical attributes, or how they are viewed in contemporary society. Join artist Taloi Havini and anthropologist Zainabu Jallo in conversation as they share their responses to select aspects of the exhibition 'Alive – more than human worlds'.
