PICNIC CONCERT

At night

18 June 2023, 11.00–12.00 Uhr

Come and experience a true firework display of Baroque music in the museum courtyard with musicians of the Basel Symphony Orchestra. Two Brandenburg concertos by Bach encounter two masterpieces by Vivaldi, among them the flute concerto “La Notte” – the musical link to our exhibition “At night”. Bring a picnic basket and a camp chair with you; the music and the right atmosphere are up to us. The concert will only be held in dry weather. Check whether the concert is on at www.sinfonieorchesterbasel.ch

Admission free, collection
