PROJECT SERIES «IN FULL VIEW»

Dambana, Sri Lanka

07 – 31 May 2024, 10.00–17.00 Uhr

Take the opportunity to witness a research project in progress: the Vedda communities have asked for 47 objects to be returned to Sri Lanka. “In full view” allows you to watch researchers and conservators at work during the museum’s opening hours. Feel free to ask them questions and chat with them.
