GRASPING ANTHROPOLOGY – GUIDED TOUR AND LISTENING WALK

Sounds of the City

6 March 2024, 18.00–19.30 Uhr | Admission fee

The sound and media artist Budhaditya Chattopadhyay, along with participants of his sound workshop, provides insights into the auditory exhibition "Ears on the Move". Afterwards, Budhaditya will take us on a listening walk through Basel. What sounds do we perceive in the city? Which images, memories, and stories do they evoke within us?
