

Museum der Kulturen Basel

FAMILY DAY

Colourful Family Day

31 May 2026, 10.00–17.00 Uhr

Colours are dancing in the museum! Meet our pink owl and discover that we can not only see colours, but also hear, smell and taste them. Paint to music, create colourful owls in the studio and dance to colourful lights at the children's disco. There's also an interactive exhibition and much more to discover.

The family day is open to everyone – families of all kinds, friends of all ages and individual visitors.

Culinary delights for young and old from the museum bistro Rollerhof, as well as ice cream in a range of fruity colours from Acero.Programme
