12TH INTERNATIONAL SHIBORI SYMPOSIUM

Textile & Architecture: The Art of Dimensional Transformation

25. – 27. September 2026, 10.00–17.00 Uhr

The World Shibori Network Foundation (WSNF), in collaboration with the Museum der Kulturen Basel (MKB), presents its signature International Shibori Symposium for the 12th time (12 ISS). The symposium celebrates the 50th Anniversary of the seminal publication, *The Dyer's Art*, by Jack Lenor Larsen and Alfred Bühler of MKB, Solyom and Solyom. The symposium brings together scholars, artists, and textile enthusiasts. It features plenary sessions, workshops, and travel programs for a meaningful exchange of knowledge, practice, and traditions. More information, registration and tickets, and call for presentations: 12iss.org
