WORKSHOPS FOR KIDS 6+

The golden deer and other animal puppets

6 November 2022, 13.00–17.00 Uhr

In the Indian epic Ramayana, Prince Rama sets out on a hunt for a beautiful, golden deer. In the exhibition “Memory” you will find pictures of this story. In our workshop, we create a deer puppet or a like animal figure inspired by the theatre.

With Regina Mathez, Learning and Programmes

Last entry time: 16.00

Admission free, Material CHF 5
