

Family guided tour

MOTHER AND CHILD

29 December 2019, 11:00 AM - 12:00 PM

Do you know that, in earlier days, children were told that babies grow on trees like apples? Have you heard the story of the Indian god Krishna who was adopted and raised by a family of shepherds? On this joint tour, parents and children together get to know stories, objects, and images that tell about family life across the globe.
