

Grasping anthropology – Guided tour and talk

**ENCOUNTERS WITH THE BUDDHA**

2 December 2020, 18:00 - 19:30 PM

What makes Buddhism so popular? What kind of transformations and reinterpretations has the Buddha's teachings experienced in their more than two-thousand-year history? We invite you to explore the many facets of Buddhism and learn more about it through its imagery and ideas.

> With the curators Stephanie Lovász and Ursula Regehr

> In German

Admission fee
