BEST-OF

26 May 2019, 11:00 AM - 12:00 PM

The most valuable, the best known, and the most popular – the “Best of” guided tour presents select objects from all exhibitions. At the same time, we question the criteria of such rankings. What are they based on: collectors’ interests, scientific value or personal preferences? What’s at the top of your personal list, and why?
