

Grasping anthropology – Guided tour and discussion

**COMPLAINING, GRUMBLING, CRITICIZING – CANCELLED**

6 May 2020, 18:00 - 19:30 PM

Speaking your mind is an art form that needs to be learnt. The puppet exhibition «Bima, Mr Punch, and Demon» features numerous figures that know how to criticize with humour and wit but also cheekily give others a piece of their mind. Together with a communication coach we take a closer look at some of the tricks they use and give them a try ourselves.
