

Grasping anthropology – guided tour and discussion in “Thirst for Knowledge meets Collecting Mania”

## **BRAVING THE GAP**

2 October 2019, 18:00 - 19:30 PM

The tasks of collecting, preserving, research, and display pose ever greater challenges for museums. Today, conflicting ideas about objects tend to clash: can one show this object or preferably not? Do museums in the first place have the right to hold certain objects?
