DOWNWARD DOG: YOGA TOUR IN THE MUSEUM

1 May 2019, 18:00 - 19:30 PM

The “downward dog” is a popular yoga position. Johanna Heusser, dance and yoga instructor, looks back on many years of intensive training in addition to critically reflecting on the practice of yoga. She has developed her engagement into a performance. Together with the curator Stephanie Lovász, she embarks on dance-cum-dialogue tour of the museum in the course of which the audience is also invited to try a few exercises.
