**MR PUNCH, KARAGÖZ, AND UMARMAYA**

6 November 2019, 10:00 AM - 12:00 PM

The exhibition “Bhima, Mr Punch, and the Demon” presents puppet figures from Asia and Europe. What the plays have in common is that they host an array of comic figures, clowns, ruffians, as well as helpers equipped with magical powers. We go in search of these trickster figures.
