SHIBORI MEETS SASHIKO – BLUE DYES, WHITE EMBROIDERY – CANCELLED

25 - 26 April 2020, 11:00 AM - 16:00 PM

The two-day workshop brings together two Japanese textile techniques. On the first day you learn how to create your own design through folding, stitching, and tie dyeing. On the second day, we add to the design sashiko embroidery: the simple running stitch with contrasting coloured yarn transforms dyed fabrics into individual creations.
