WHAT'S SACRED TO ME?

14 November 2019, 18:00 - 20:00 PM

People go in search of the “sacred” through religion and personal faith. Encounters with the “sacred” can be fascinating as well as disturbing, even change a person’s life trajectory. The Story Café is all about experiences and encounters with the “sacred”: participants are invited to contribute but nobody is forced to reveal secrets they wish to keep to themselves.
