NOÉMI SPEISER

6 February 2019, 18:00 - 19:30 PM

An intriguing lady with an intriguing passion: Noémi Speiser, 92, is an expert on interlacing and a fabric artist with a lifelong record of unravelling interlaced works of all kinds. In discussion with Sabine Rotach she talks about her fascinating research and her work as an artist. With examples of her oeuvre and objects from the collections.
