IL Y A DES OISEAUX DANS L'AQUARIUM – THERE ARE BIRDS IN THE AQUARIUM

von Magali Rousseau, Company L'Insolite Mécanique

25 - 29 September 2019, 10:00 AM - 17:00 PM

By Magali Rousseau, Company L'Insolite Mécanique

Flying machines as a theatre of illusions: in the context of the 10th International Basel Puppet Theatre Festival BAFF! we're creating an interactive space for human beings and objects in the Hedi Keller Room of the Museum. The poetic flying machines created by the French artist enchant through their spiritedness and their moving mechanical bodies and coax viewers into interacting with them.
