

Special event

SUN, MOON, AND STARS

18 January 2019, 18:00 PM - 02:00 AM

Together, we reach for the stars: enjoy a display of celestial acrobatics, discover what role heavenly bodies play in different cultures, and explore the night with the aid of an astronomer's insider knowledge, galactic make-up, and new zodiac signs.

> Detailed programme at Museum der Kulturen Basel

The museum night is organised by museen basel and Basel Stadt's Division of Cultural Affairs. 36 museums and cultural institutions offer a variety of events: www.museumsnacht.ch

Tickets available at the museum's ticket desk.
