

Workshop for grownups

ORIZOMEGAMI – PAPER SHIBORI

31 August 2019, 11:00 AM - 16:00 PM

In Japan, cloths are often patterned with the aid of different shibori techniques, requiring a lot of folding, pressing, and tying. In the workshop we modify some of these techniques to decorate (Japanese) paper for use as greeting cards and bookmarks, for binding books, or for wrapping gifts.

> With Regina Mathez, Learning and Programmes, and Stephanie Lovász, exhibition curator

16 participants at most, please register by Mon 26.8. under 061 266 56 32 or at info@mkb.ch.
