

Guided tour and workshop for grownups in sign language

MOTHER AND CHILD IN IMAGES

24 November 2019, 14:00 - 16:00 PM

Just about every culture holds its own ideas about motherhood, ideal parents, and good children, and conveys these in images. In the exhibition we go in search of these images and ideas. In the workshop we use origami techniques to make picture frames for our drawings and photographs.

> With Lua Leirner and Regina Mathez, Learning and Programmes

Limited number of participants

Please register by Fri 15.11. under 061 266 56 32 or at info@mkb.ch.
