

INFORMATIONS FOR PERSONS WITH DISABILITIES

ALL ROOMS AT THE MUSEUM ARE ADAPTED
TO THE NEEDS OF DISABLED PERSONS

Impaired mobility

The museum and the museum courtyard are wheelchair-accessible. There are no doorsills to navigate throughout the interior area. The toilet for disabled persons is also wheelchair-accessible. Carers accompanying disabled persons (who are unable to visit the museum on their own) are admitted free of charge. The museum does not have wheelchairs for people with mobility difficulties. However, on each floor, light folding chairs can be taken into the exhibition rooms.

Occasionally, events take place in the annex. Unfortunately, this is not wheelchair accessible. The museum bistro is only accessible in parts with assistance.

Getting here

There are no car parks near the museum. There are two disabled parking spaces at the Kunstmuseum.

Using public transport

Coming from 'Bahnhof SBB', take trams No. 8, 10 or 11 to the 'Bankverein' stop. Then via St. Alban-Graben and Rittergasse to Münsterplatz. Or take tram No. 2 (from 'Bahnhof SBB' or 'Badischer Bahnhof') to the 'Kunstmuseum' stop, then walk along Rittergasse and across Münsterplatz to the museum entrance at Münsterplatz 20.

Hearing impaired

For each exhibition, there is written information in the exhibitions themselves, on our Homepage as well as in publications.

Visually impaired

The explanatory labels in the museum rooms are usually small. The museum attendants are at your disposal for any information you may need. You can take your guide dog into the museum. Exhibits must not be touched.
